

Strong Interest Inventory® Accreditation Program

Strong Interest Inventory®

For nearly 85 years, the Strong Interest Inventory® assessment has provided time-tested, research validated insights to help individuals in their search for a rich, fulfilling career. As one of the most respected and widely used career planning instruments in the world, it has been used in organisations and educational institutions of all sizes. [Know more](#) about the Strong instrument.

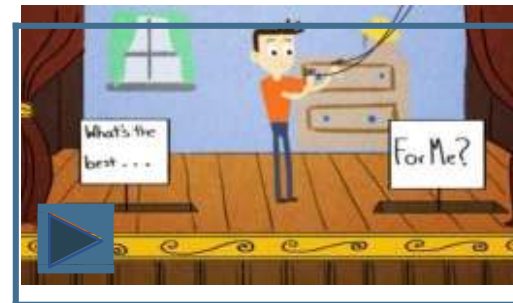

- **Well researched, reliable and valid:** With over 8 decades of research backing it, the Strong Interest Inventory® is very reliable and has been validated across educational institutions, organisations, cultures and geographies.
- **Aid career conversations across audience groups:** The tool can be used by students, corporates, and senior, retired professionals. It gives you access to career conversations across life stages and audience groups.

Upon successful completion of the program, you will be eligible to purchase and use the Strong Interest Inventory® and its reports anywhere in the world. You will also receive a certificate from The Myers-Briggs Company, indicating your eligibility to use the Strong Interest Inventory®.

Benefits of Accreditation

- You will get access to the Strong instrument and its family of reports
- You will also receive resource materials including books and user guides to help you get started with the Strong instrument
- You will enhance your expertise as a career counsellor, talent professional, organisational development practitioner and coach
